Working experience

Mr. Yang Hangsheng is a senior partner of Beijing King&Capital Law Firm. Mr. Yang graduated from the School of Law of Renmin University of China in 1999 and started to practice law in 2002. In his more than twenty years of practice experience, he has undertaken hundreds of civil and commercial litigation and arbitration, and specializes in handling difficult and complex dispute cases. He has unique insights and distinctive methods of dispute resolution, and often views the occurrence, development and demise of disputes from the perspective of the law of development of things, and then combines them with the specific state of operation of the society to find the best methods and strategies for dispute resolution.

Over the years, Yang Hangsheng has provided professional and rigorous legal services for many central and state-owned enterprises, banks, funds, listed companies and other corporate clients, as well as film and television celebrities, entrepreneurs and other individual clients, and has gained a high degree of acceptance from the majority of our clients by exceeding the expected results and maintaining strict confidentiality!
