Professional Experience

Sun Guangzhi is a partner at Beijing King & Capital Law Firm, co-managing partner of the criminal litigation team and a senior research fellow at the Institute for Criminal Defense of the Northwestern University of Politic Science and Law. He holds an LLM in criminal law from Jilin University, and has been in practice since 2007, first with Beijing King & Capital Law Firm and then with King & Wood Mallesons. Sun Guangzhi has become a partner of Beijing King & Capital Law Firm since July 2014.

Lawyer Sun Guangzhi's practice is mainly focused on providing criminal defense services for economic crimes, crimes committed in public office and organized crime cases. He also offers criminal legal services such as consulting on criminal compliance and litigation agency for many enterprises and entrepreneurs. Throughout practice, he has accumulated a wealth of experience in criminal law and professional results

Concerning criminal legal services for economic offences involving infringement on the property rights of enterprises, obstructing the order of financial management, financial fraud and dereliction of duty by senior enterprise management, lawyer Sun Guangzhi has accumulated and summarized wealth of professional experience and skill. To this day, he continues to offer quality and efficient criminal defense services for clients.

Concerning criminal legal services for cases involving commercial bribery, lawyer Sun Guangzhi is experienced in devising legal compliance for the corporate prevention and governance of commercial bribery. During practice, he appeared in many cases of graft and bribery, offering quality criminal defense services for the parties and enterprises.

Concerning organized crime, Lawyer Sun Guangzhi has represented defendants in many gang-related cases. He has formed a mature and complete set of defense experiences in relation to these cases involving multiple defendants and instances of criminal behavior, obtaining good results for both individual cases involved and the society in general, so as to protecting clients' legitimate rights and interests to the utmost.
