Professional Experience

Lawyer Liu Zhe started to work as legal counsel for a company in 2000, and then he joined King & Capital Law Firm. During his 15 years practice, he represented many litigation and non-litigation cases.

He specializes in contract negotiations, drafting and review in major projects such as EPC and BOT. He is very familiar with FIDIC clause. He designs, reviews and amends company Charter. He is good at risk prevention and control for companies, bank, and securities company, company system reform, company listing, equity investment and acquisition, company liquidation, tendering and biding process, IP law matter, labor dispute settlement, business renting practice, etc. He is also very experienced in civil and commercial litigation, and he has a high win rate in representing economic dispute, equity dispute, delay on construction fee, landscape resources development, electricity supply dispute, copyright infringement, trademark infringement, house trade, and land dispute cases. He can review Legal documents and communicate in English.

Lawyer Liu Zhe is the senior partner of King & Capital Law Firm. Before joining the Firm, he had served as the Head of the Compliance office of China CITIC Group.
